 = Bobbin Thread Color

4x4 Design

File: 4x4-camp-kimberbell

Embroidery Field: 3.04 x 3.68"

Finished Size: Approx. 3 x 3¾"

- Hoop **(2)** layers of **Wash-Away Stabilizer**.
- Load the embroidery file into the machine.

- D** 1. Stitch the Base Placement Line directly onto the stabilizer.
 - Place the Base Felt. Tape in place.
- D** 2. Stitch the Base Tack-down Line.
 - Remove the tape. Trim the felt close to the stitch line.
- D** 3. Stitch the Sky Fill.
- H** 4. Stitch the Grass Fill.
- G** 5. Stitch the Camper Fill.
- C** 6. Stitch the Middle Stripe Fill.
- I** 7. Stitch the Top and Bottom Stripes Fills.
- J** 8. Stitch the Door Fill.
- E** 9. Stitch the Windows Fills.
- G** 10. Stitch the Camper Outline.
- A** 11. Stitch the Wheel Fill.
- F** 12. Stitch the Hubcap and Clouds Fills.
- K** 13. Stitch "Camp Kimberbell".
- B** 14. **Match the bobbin to the top thread.** Stitch the Windows Frames.
- B** 15. Stitch the Patch Outline.

- **Change the bobbin thread to a neutral color.**
- Remove the project from the hoop.
- Cut away the excess stabilizer close to the design.
- Rinse the project in cool water to dissolve any remaining stabilizer.
- Lay flat to dry.
